Progress Report

Project:

Distribution of 30 Days Ration Pack to 345 COVID-19 affected families in Soon Valley Khushab, Punjab Pakistan.

Project Sponsors:

- Dr Muhammad Khalid Riaz
- Dr Naheed Qayyum
- Dr Tariq Awan
- Dr Ghaus Malik

Project Implementer:

Human Development Foundation – Pakistan

Project Timeline:

Date of Initiation: May 14, 2020

Target Date of Completion: May 20, 2020

Progress Status up to May 20, 2020:

With intellectual and financial support of soon valley diaspora comprising Dr Muhammad Khalid Riaz, Dr Naheed Qayyum, Dr Ghaus Malik and Dr Tariq Awan, HDF Pakistan has been able to ensure adequate nutritional requirements of 345 most vulnerable families in Soon Valley badly affected by the unprecedented COVID-19 situation. The composition of each ration pack was decided by our Nutritionist to cater for the required nutritional need of an average family of seven individuals for one month.

Distribution of Ration Packs:

Most affected 345 families from Soon Valley were selected in consultation with local community for provision of the ration packs. Food items included in ration packs were procured from respective towns/villages in soon valley by a committee comprising HDF

staff from National Office and village people, in accordance with the procurement policy. The ration packs were packed and distributed jointly by HDF staff and committee members. Branding of HDF was done on every ration pack. Town/Village wise distribution in Soon Valley Khushab is under:

Village/Town	No. of Families that Received Rations	Sponsors
Khabeki	200	Dr. Naheed Qayyum
Sabhral	44	Dr. Ghaus Malik
Mustafabad	30	Dr. Muhammad Khalid Riaz
Dhok Basira	25	
Khurra	23	Dr. Tariq Awan
Dhok Biakh	16	
Moza Tararri	7	
Total	345	

A detailed list of Households (verified by local committee of respective village) who have received the ration packs is attached as Annex-A. All safety instructions like maintenance of social distance and wearing of available PPE equipment were ensured at the distribution venue. The occasion was also used for the awareness and education of beneficiaries about safety measure and prevention of COVID-19. The beneficiaries were thankful to HDF and sponsor for supporting them in lockdown situation. The interaction with the communities and formation of committees comprising notables of the villages that worked with the HDF staff provided an opportunity to introduce HDF and develop connection with them for future initiatives of development in the Soon Valley.
